

SPRING TERM 2025

ENGLISH

Children will be using the books *The Dragon Machine* and *Major Glad, Major Dizzy* this term.

They will be using these books to focus on story writing and diary writing.

MATHS

Children will be learning:

- **Multiplication and division**
- **Time**
- **Fractions**
- **Addition and subtraction of two-digit numbers**
- **Money**

Children will also build on their accuracy and speed when doubling and halving numbers, using number bonds within 20 and times tables.

1234567890

SCIENCE

Habitats

The children will be thinking about the difference between objects that are living, dead, or have never lived. They will look at how animals and plants live in habitats and how they depend on each other in food chains within a habitat.

HOME LEARNING

Daily reading, times tables practice on Times Tables Rock Stars and addition and subtraction practice on NumBots.

YEAR 2

GEOGRAPHY

Planet Earth

The children will focus on each of the seven continents. They will learn about countries, capital cities, famous landmarks, landscapes, the climate, and native animals in each continent.

capital cities, famous landmarks, landscapes, the climate, and native animals in each continent.

HISTORY

Kings and Queens

The children will be introduced to monarchs chronologically to help them gain an understanding of England/Britain/the UK's ruling past, from 1066 to the present day.

ART

Super Sculptures

Children describe and discuss sculptures by well-known artists and create their own sculptures.

DT

Animal Hand Puppets

Children will develop and practise their sewing skills to make their own puppet.

MUSIC

Wanna Play in A Band?

Musical activities involving singing and clapping to learn pulse and rhythm.

COMPUTING

The children will be learning to log in safely and use **Sketchpad** to create simple drawings.
