

# SPRING TERM 2025

## LITERACY

Our two project will focus on these two books. We will be learning how to describe characters and how to predict what will happen whilst giving reasoning for our answers. We will continue to develop how to write accurate sentences using.

- Finger spaces
- Phonics to spell words

## MATHS

Pupils will consolidate their counting skills, learning to represent numbers and developing a wider range of counting strategies. Children will learn to compare equal and unequal groups.

Children will also cover other areas of maths during shorter sessions. The areas covered will be:

- Time
- Money
- Measure
- Shape

1234567890

## UNDERSTANDING THE

### WORLD

#### Superheroes

Children will learn to:

- Know the lives and roles of people in their local community.
- Look at patterns and change in the natural environment.
- Think about what type of superhero they would like to be when they grow up.

## HOME LEARNING

We will continue to send this out at the end of each week for it to be returned on the following Wednesday.

# FS2

### Communication and Language

- Describe where something is
- Follow 2 step instructions
- Use 'and' and 'because' in sentences.

### Personal, Social and Emotional Development

- To work as part of a group.
- To explain the reasons for rules.
- Know difference between right and wrong and how this impacts on others.

### Physical Development
