ONLINE SAFETY

Dear Parents

It is really important that we do what we can to ensure our children are working and playing safely on-line. Talking to children about their on-line behaviour and how they can keep themselves safe, is especially important at this time, as they are spending more time than usual on-line, visiting different sites, completing work assignments, messaging and communicating with their friends.

In order to support parents, www.thinkuknow.co.uk/, have produced work packs to help you talk to your child about this important issue.

The first two packs can be accessed by clicking on the linke below.

It is anticipated that new packs will be added every two weeks, so keep an eye on their website:

I hope you will find the resources useful in talking to your children about their on-line safety.

Kind regards

Nicola Smith
