SEND	While this curriculum is for all pupils it will be applied differently in different year groups depending on pupils' ages and may be applied differently depending on individual pupils' SEND needs. For example, pupils who have autistic spectrum conditions may find it very uncomfortable to maintain eye-contact with adults. Sensitivity must be applied at all times when teaching the curriculum unimpeded.
TeamTeach	The positive behaviour management strategies that Team Teach develops and promotes emphasise team building, personal safety, communication, and verbal and non-verbal de- escalation techniques for dealing with challenging behaviour which reduce the need for physical intervention.
