Our Mission and Values

The Malmesbury Park team have been working on a new mission statement which is now under the newsletter title. This is what we do at Malmesbury Park because everyone matters and everyone deserves the best possible education. After studying our new mission in PSHE, Jessica in year 5 wrote, 'Our behaviour matters, our school matters. We are amazing, polite, caring, helpful and kind. Our school is a community with wonderful teachers, students and places.' I couldn't have said it any better Jessica!

We are also revisiting our values and would love your input. Please vote for two or three values that will be at the centre of what we do.
