Year 6 School Journey

A huge thank you to our year 6 team for making school journey to Fort Purbrook such a memorable experience for our students. Your efforts in planning, organising, and supporting the children throughout the trip ensured they had an enriching and enjoyable adventure. The memories created will surely stay with them for years to come. Another big thank you to the team that worked with our staycationers: your project work was incredible.

School Council and the House of Lords

Our school council had the incredible opportunity to meet with a member of the House of Lords, providing students with firsthand insight into the workings of government and the role of the Lords in the shaping of laws. During the meeting, students engaged in thoughtful

discussions, asked insightful questions, and learned about the importance of active citizenship and democracy. This memorable experience left our young leaders inspired and motivated to contribute positively to our school and community.
