## Exploring Old Toys in year 2– Major Glad and Major Dizzy!

As part of our learning for our new book, *Major Glad and Major Dizzy*, the children have been exploring old toys and discovering how children played in the past.

They had great fun learning how to play traditional games like **jacks** and **five stones**, as well as exploring and playing with a variety of different old toys. This hands-on experience helped bring history to life and gave them a real sense of how playtime has changed over the years!

It's been a fantastic start to our book journey, and we look forward to learning even more together.

## Safety First

It is important that all children and families have a safe experience walking to and from school. Some children and families have reported being approached by groups of older children in a threatening manor. Please take care and talk to your children about how to stay safe. If you notice anything suspicious please report it to keep our community safe.

For any crime in progress or a serious incident involving a child: Call 999

For other incidents: Call 101 or report it online:
