## Black History month

This week, we were delighted to welcome a group of dedicated volunteers who visited our Year 6 students to help celebrate Black History Month. The volunteers worked closely with the children in small groups, leading discussions and activities that explored key historical figures and moments. These engaging sessions gave our students a deeper understanding of the contributions and achievements of Black individuals throughout history.

We are grateful to the volunteers for their time and effort in making these sessions both educational and inspiring for our students!

## Treasure Hunt

Our Year 3 and 4 students recently took part in an exciting outdoor maths treasure hunt! Working in teams, they solved a series of maths-based clues and challenges, all while navigating the school grounds. This hands-on activity reinforced key maths concepts in a fun and engaging way, encouraging teamwork and problem-solving along the way.

A big well done to all the students for their enthusiasm and great problem-solving skills!
