

The Romans are marching

This term, Year 4 students have been learning all about the Roman Empire! One of the highlights was stepping into the sandals of Roman soldiers during our interactive "Roman Marching" activity. The children learned how disciplined and organised the Roman army was and practiced different formations, including the famous "tortoise" or *testudo* formation. This hands-on experience gave them a glimpse into the life of a Roman soldier, complete with chanting commands and marching in unison. The students had a great time while gaining a deeper understanding of Roman military tactics and teamwork!
