## A Huge Thank You for Your Amazing Iron Age Village!

We want to send a big thank you to the students who put in extra effort to help create a fantastic Iron Age village! By doing additional homework and going the extra mile, you brought history to life in a way we'll never forget.

Your dedication to building the village—whether it was crafting models, designing tools, or working on the construction—showed true teamwork and creativity. Keep up the hard work!

Daniel Forward, Headteacher
